Mom's Day Out

<http://thundervalley.net/kiddiekarts.shtml>

Mom's Day out was a big hit! The children got to play putt-putt, laser tag, and ride the go-karts at Thunder Valley in Salem while the mothers enjoyed some much deserved free time to shop. Valley view mall helped by offering a number of discounts in various stores throughout the mall. Chick-fil-A provided a wonderful meal to the kids while the moms received a free lunch, compliments of Cheddars. The MFSC would like to thank everyone involved, without who the event would not have been such a success.

A Year of Growth

In 2012, the MFSC has seen growth in both support and clients. The greater military support community has shown extraordinary dedication to our men and women who continue to serve our country. There have been more donations, events, and volunteers than ever, which are only expected to grow as we ring in the new year. The MFSC would like to thank everyone for a wonderful year! More importantly, we would like to thank our troops for their sacrifice and hard work in protecting our great nation and providing us with the freedom we continue to enjoy. Happy New Year!

Angel Tree

There are thirty-five military families in the Valley who were in need of assistance as they approached Christmas day. Hart Motors stepped up and, in a show of generosity that strengthened their ties with the MFSC and the Wounded Warrior Program, were able to raise awareness and raise enough presents to provide for every family! With the assistance of a couple dedicated family assistance centers, the MFSC was able to deliver the gifts to the military families. Everything went smoothly and next year is expected to be even better!

UPCOMING EVENTS

It has been two months since our last Fill the Humvee and the food and diapers have flown off the shelves. The MFSC will be gearing up for another event to refill the pantry in the early months of 2013. The January newsletter will provide the date and location. We look forward to the community's provision and support, which has always exceeded expectations.
